No. 2.—The following letter is published for general information :—

From the Consul-General for Turkey at Bombay, To His Excellency the Viceroy and Governor-General of India, No. 166 G. I.—20-81, dated Bombay, the 31st January 1888.

With due deference, I beg to lay before your Excellency that since my arrival in India and taking over charge of this Consulate, several times I was informed that forged letters of recommendations, bearing the seal of this Consulate and that of the Turkish Consul-General for the time being, were being presented to the Nawabs and other notables of India by certain individuals with a view to obtain pecuniary assistance from them.

Lately a case of my own private seal being forged, having been brought to my knowledge, I had addressed a letter (locally) to His Highness the Nawab of Rampur, asking him to send me the letter for examination, and His Highness was pleased to comply with my request. That letter is now with me, and will be returned in due course. It bears the seal of my name, and is addressed to the Minister of Rampur State, and was presented by one Abdul Ghafur Mahomed Manee. I am now on the look-out for that man, and if found, will hand him over to the proper authorities to be dealt with according to law.

In the meantime I request your Excellency will also be kind enough to issue instructions to the officials concerned to inform all the Nawabs and the Muhammadan notables of India not to rely on the letters which will be presented to them as may come by any Arab or other person or persons who come to India for purposes of begging, and to take such letters as forged.

By Order,

R. VIJAYENDRA RAO,
Chief Secretary.
